Subject: Potential SDWA 1431 Order in Region 3: Consultation

Greetings,

I wanted to alert you both to the possibility that Region 3 will issue a SDWA 1431 order to the Clarksburg Water Board, Clarksburg, WV. This action will be in support of the West Virginia Department of Health and Human Resources (WVDHHR) who have requested EPA's assistance in gaining compliance with the order WVDHHR issued on Friday, July 2nd. Attached is an updated briefing paper on the situation.

Ex. 5 Deliberative Process (DP)

Please let me know if you have any questions or want to discuss this.

Thanks,

Rick
